Magazines have never had it so good. Kartel coffee tables, side tables, hall tables and entertainment units all combine exceptional functionality with an appealing, classic aesthetic.

Solid forms and straight, confident lines lend the pieces a rich appearance without being showy. Carefully crafted and structurally sound, these items will last a lifetime. The classic, square designs adapt easily to both modern and traditional settings.

All items in the Kartel range are available in either dark stained walnut veneer or natural walnut veneer polished to a durable satin finish. Drawer carcasses are made from dovetailed New Zealand silver beech.
