LOUNGE SUITE

All KOVACS products are constructed from the highest quality New Zealand timbers, the best available componentry, superior cushioning materials and premium quality leathers and fabrics. When you choose KOVACS you are investing in lasting good looks, comfort and durability, brought together with world-class design.

The seddon range is designed for maximum comfort within a compact footprint. The higher seating position and more upright stance suit people who like to remain attentive and active while seated. The chair can be fitted with a manual or a motorized recliner mechanism. Lockable heavy duty wheels can also be specified if required. Two matching settees complete the range.

The chair shown above is fitted with a motorised recliner action and lockable heavy duty wheels for ease of movement. Firm arms and seating position make this an easy chair to stand up from.
