All KOVACS products are constructed from the highest quality New Zealand timbers, the best available componentry, superior cushioning materials and premium quality leathers and fabrics. When you choose KOVACS you are investing in lasting good looks, comfort and durability, brought together with world-class design.

The Sienna is a compact design with a young, contemporary feel. Its proportions are designed to give maximum seating while taking up minimum space, yet this sleek appearance belies a comfort level that will surprise and delight.

The highly resilient Ergofill cushions offer the ultimate combination of comfort and practicality: the plump feel of

feathers without any of the daily maintenance. Together with the commercial grade seat springing and back support foam, luxurious seating is ensured. While finely proportioned the arms are well padded, adding to your overall comfort. The Sienna has, at its core, a solidly built frame that will provide years of enjoyment.

A versatile piece the Sienna looks great upholstered in a combination of fabrics, and now to keep your look always fresh Sienna has the option of removable body covers.

The solid wood legs are polished to a satin finish and are available in six standard colours.
