heath

LOUNGE

All KOVACS products are constructed from the highest quality New Zealand timbers, the best available componentry, superior cushioning materials and premium quality leathers and fabrics. When you choose KOVACS you are investing in lasting good looks, comfort and durability, brought together with world-class design.

With a smaller than expected footprint and plush cushioning the Heath shares a family resemblance to the Bronte. This is an earthy piece, a snug, comforting couch. With a narrow frame it is also an excellent and efficient use of space.

The design can define a space without dominating it. The eight-sided leg and simple lines ensure it looks great from all angles.

The layered foam of the seat cushion, soft side arms and luxurious back cushioning sends out an invitation to nestle. The Heath blends into an environment – the timeless form and long-lasting comfort will keep this piece fresh for years to come.

The solid wood legs are polished to a satin finish and are available in six standard colours.
