All KOVACS products are constructed from the highest quality New Zealand timbers, the best available componentry, superior cushioning materials and premium quality leathers and fabrics. When you choose KOVACS you are investing in lasting good looks, comfort and durability, brought together with world-class design.

Designed for apartment living, the medium height Club is spacious in seat depth and width, yet its presence is not overpowering. The Club features resilient seat suspension, durable construction and supportive cushioning to ensure lasting comfort and many years of enjoyment.

The Club is available in either fabric or leather as a chair and settee in multiple widths. When upholstered in leather, saddle trim stitched detailing is used to add strength and character in a colour that compliments the leather colour

The solid wood feet are enhanced with a polished aluminium plate base that has a non slip protective pad attached.

used, however a contrast stitching colour can be requested at time of order (as featured below).
