LOUNGE

All KOVACS products are constructed from the highest quality New Zealand timbers, the best available componentry, superior cushioning materials and premium quality leathers and fabrics. When you choose KOVACS you are investing in lasting good looks, comfort and durability, brought together with world-class design.

Modern lines combine with luxurious comfort in the Dakota. At first glance the cut-away angles and distinctive foot give the appearance of pared back style, a contrast to this however is the inviting cushioning. Superior Ergo-fill filled seat and back cushions give a plump "feather-down" appearance and very high comfort factor.

Covered in any combination of fabric or leather, Dakota brings contemporary style to any room.

DIMENSIONS (CM)	W	D	H
Chair	82	92	78
