LOUNGE

All KOVACS products are constructed from the highest quality New Zealand timbers, the best available componentry, superior cushioning materials and premium quality leathers and fabrics. When you choose KOVACS you are investing in lasting good looks, comfort and durability, brought together with world-class design.

Sophisticated and sumptuous, retrospective and romantic, the Grace is undoubtedly an investment in refinement. While bold and effortless in bearing, closer inspection of the Grace uncovers clever little details.

Along with the careful balance between authoritative lines and enticing curves the

octagonal tapered legs provide a distinct look and lightness of manner.

Three different densities of seat foam and two in the back deliver plush comfort and hours of luxurious repose. The craft of artisan furniture design is about such details. In the Grace such craft is at its pinnacle.

The solid wood legs are polished to a satin finish and are available in six standard colours.
