CHAIR

All KOVACS products are constructed from the highest quality New Zealand timbers, the best available componentry, superior cushioning materials and premium quality leathers and fabrics. When you choose KOVACS you are investing in lasting good looks, comfort and durability, brought together with world-class design.

This breakout piece calls to mind balmy nights and improvised rhythms; rich conversation over a cool mojito – and perhaps a smoky whisky to see in the dawn.

An eclectic design lineage offers 1940s elements and the curved back is a strong reference to the 1920s.

Gentle steam treatments deliver the perfect curve in the natural southern beech timber of the frame. The soft cushioning ensures the comfort required for conversations that run long into the night.

The Havana is undoubtedly a head-turner. And, whether upholstered in a punchy pattern or a textured neutral fabric, it will certainly get people nodding in agreement.
