RANGE

All KOVACS products are constructed from the highest quality New Zealand timbers, the best available componentry, superior cushioning materials and premium quality leathers and fabrics. When you choose KOVACS you are investing in lasting good looks, comfort and durability, brought together with world-class design.

The Nero chair is a contemporary design showing neat fitting covers and trim stitched detail. The seat has durable elasticised multi strand webbing interlaced 90 and 180 deg. to seat frame.

The chair is available in two versions: the Nero -Long leg (as shown below and front cover); and the Nero - Ground. (With short legs - featured opposite). Satin polished legs add that quality touch. The short legs are pine and the long legs are silver beech.

The Nero - Ground Chair above is also available as a 2 seater settee as shown below. A matching footstool to the Ground Nero Chair has similar short wooden legs.

The Nero is available in either fabric or leather coverings and special timber colours are available on request.
