## LOUNGE

*All KOVACS products are constructed from the highest quality New Zealand timbers, the best available componentry, superior cushioning materials and premium quality leathers and fabrics. When you choose KOVACS you are investing in lasting good looks, comfort and durability, brought together with world-class design.*

The Marlow deserves positioning where it can be seen from all angles. Interesting elements within the design, such as the angled relief of the arm backs, repeated in the slant of the solid legs, are as attractive to the eyes as the cushioning is to the body.

DIMENSIONS (CM)	W	D	H	SH
3.5 Seater	220	87	79	44

SH = Seat height.

While the legs provide a solid aesthetic grounding the settee, it is in fact remarkably compact. This contemporary design suits any modern or transitional setting. Whether you are ensconced in the settee or simply gazing in admiration from across the room, the Marlow will give pleasure to anyone who chooses it.

The solid wood legs are polished to a satin finish and are available in six standard colours.
