All KOVACS products are constructed from the highest quality New Zealand timbers, the best available componentry, superior cushioning materials and premium quality leathers and fabrics. When you choose KOVACS you are investing in lasting good looks, comfort and durability, brought together with world-class design.

Good design is as much about what's left out as what's included. For the Max this balance is crucial – the understated style and clean efficiencies providing classic modernist style with a twist. If there's one thing it is, it's more than 'one thing', a hinged back cleverly engineered to extend influence and

The solid wood legs are polished to a satin finish and are available in six standard colours.

functionality. Rather than imposing itself the Max compliments the surrounding space – it's at home as much in the small apartment as it is the family

living room or the concrete-floored loft space. While the wide arm is anchored with a timber slab foot keeping the profile low and solid, the narrow arm version looks sleek on a contemporary metal 'pin' foot and provides a more compact footprint. Each have an individual look and the luxurious cushioning gives ultimate comfort in any finish.
