LOUNGE SUITE

All KOVACS products are constructed from the highest quality New Zealand timbers, the best available componentry, superior cushioning materials and premium quality leathers and fabrics. When you choose KOVACS you are investing in lasting good looks, comfort and durability, brought together with world-class design.

The Ranfurly range offers the perfect blend of classic style with contemporary features and luxury. This series has eye-catching turned wooden front legs and has been upholstered over a sturdy, well sprung and padded frame.

The chair comes with a high back for supreme relaxation, and is available in three versions - a fixed chair, a recliner activated by a simple push or, a motorised

recliner activated with a hand held remote control. The settee, available in both two and three-seater options, brings a level of sophistication and glamour to any room.

As the timeless design of the Ranfurly series has been finished to the highest level of quality, and fill naturally compacts over time, the back cushioning of every model can be replenished easily and efficiently. It's this attention to detail that ensures both enduring style and comfort.

A contemporary front leg option is available
