

JIGSAW LOUNGE

The Jigsaw is a compact settee with a stylish, contemporary feel. Its proportions are low and sleek with slim arms allowing maximum seating comfort while keeping the Jigsaw foot print to a minimum. The beauty and versatility of this design is a discrete yet functional feature..the back cushions are shaped to be easily raised giving extra seat depth and back height to support shoulders. The highly resilient back cushions offer the ultimate combination of comfort and practicality. Together with the commercial grade seat foam and suspension, luxurious seating is ensured. The original finely proportioned arms are now available in a slightly wider option that adds 8cm to the overall width of each settee/ chair, both are well padded to add to your overall comfort, a round bolster is standard or there is an option of a side cushion. The Jigsaw has, at its core, a solidly built frame that will provide years of enjoyment.
