LOFT LOUNGE

This furniture needs to work from every angle, and filling a functional, physical and aesthetic role from any perspective can be difficult. That's why we're so proud of the Loft. At once inviting, enchanting and unexpected, the settee is somewhat of a visual contradiction - a sturdy, grounded and enduring piece that also appears to gracefully float above its surroundings. With captivating design appeal from all angles the Loft's clean, efficient lines provide room to stretch out and the highest quality commercial foam entices you to do so.
