

SHABBY DUKE LOUNGE

Shabby by name, sumptuous by nature, the Duke's unique layering, delightful curves and compact frame combine to deliver an aristocratic charm all it's own. With slim padded arms, a gently curvaceous seat and back cushions for an encompassing sense of comfort and the double flange cushioning finish for texture and depth this is furniture that likes to look after its guests. Like it's namesake this seating fits in anywhere with a sophisticated and shambolic swagger. The powder-coated steel frame lifts the seat off the floor in an elegant posture. So too does the compact bearing allow you to maximize space in small rooms without compromising aesthetic impact.
