

LENNOX MODULAR LOUNGE

The Lennox has the leanest appearance of all our Kovacs settees, its slim-lined profile ensuring masterful efficiency and graceful comportment without compromising overall comfort in the slightest. Behind the back cushion the frame unfolds to create an adjustable headrest, maximising upper body support and increasing seating depth. The higher than normal seating makes it easy to sink in without struggling to rise. There's a lot going on beneath the surface too, the combination of steel, Southland beech, commercial grade foam and fibre fill ensuring a pitch-perfect end result – hour after hour of rewarding relaxation.
