ELLA PUREMOTION CHAIR

The sleek base and 'easy on the eye' design of this chair ensures a strong sense of harmony with its surrounds. With a refined and sophisticated presence the Ella will always compliment a room. It doesn't need to compete for attention - true style never does. It simply draws people in. And that's how this careful combination of wood and covering material creates such a unique experience, one that's both cutting edge and wholly comfortable.

Not suitable for a person exceeding the weight of 120kg.
