MERCEDES RECLINER CHAIR

Mercedes is designed for exceptional comfort with extra support for neck, shoulder and back. The chairs are available in four standard versions – a recliner, motorised recliner, 3D Motion mechanism that rocks, swivels and reclines and motorised Ezi-out recliner – with a variety of features and options to customise the level of comfort you require.

The cushioning material has been enhanced in key areas. Extra high density seat foam, with moulded body foam on top with the upright non-sagging back including extra lumbar support. A high back and optional adjustable headrest provide the ultimate in comfort fine tuning. Swivel castor and heavy-duty castor options add 25mm to seat height. Optional rechargeable battery powerpack for motorised chair at an additional cost.

Manual & motorised recliner not suitable for a person exceeding the weight of 160kg

Ezi-out not suitable for a person exceeding the weight of 142kg
