

MUSE CHAIR

Designed and crafted in accordance with our ideology of 'quality bound together with comfort and timeless style' the Muse chair hits the spot. A unique look, generous proportions and the promise of comfort. The powder-coated tubular steel frame provides a solid foundation and sleek appeal. The spherical shape of the back encompasses the upper body, while the spacious seat rounds out the experience.

The Muse is an adaptable piece, integrating well and adding that special finishing touch to any surrounding.
