COMBI MODULAR LOUNGE

Mix sections, match style, build your Combi. With innovative weighted backs and corner sections this unique range redefines the lounge suite with a sophisticated and adaptable approach to modular seating. The Combi suits both indoor, outdoor and commercial uses and while ideal for seating it is easily rearranged for lounging. Tetris players will certainly love it – not only is it reminiscent of the classic computer game, the Combi can provide just as much joy in its configuration possibilities.
